INTRODUCTION

Attached is a list of subscriptions held by the FAU Libraries and attributed to your department that we would like you to review in order to help us reduce our subscription costs. We request that you concentrate on the titles and format when evaluating the lists and not on other elements in the records. Due to the current status of the database from which these lists are derived, there is some information included in each record that is not relevant to the review, such as NOTIS Print and NOTIS Electronic, and some information may be misleading, such as Type and Amount ($0 does not mean the resource does not cost money). We apologize if this causes any confusion.

For the vast majority of titles listed as Print, we continue with this format because the titles are not available electronically. In a few cases, the electronic versions require technical or licensing restrictions that we are not able or willing to accept. We request that consideration be given to the value of retaining these Print tiles in the current electronic environment.

INSTRUCTIONS FOR REVIEWING DEPARTMENTAL LISTS OF SUBSCRIPTIONS

1. Please decide on a process for your department/program that will assure that as many stakeholders as possible participate.

2. Evaluate each title as to its continued value for research and teaching.

3. Submit to Bruce Barron (bbarron@fau.edu) ONE document that represents the overall opinion of the department/program. The document should include:
   - A list of titles that can be cancelled
   - A list of titles that should not be cancelled, if at all possible
   - A list of titles found on the reports that should not be assigned to your department/program

4. Deadline for submission is April 1, 2009.

Once the lists have been returned, they will be reviewed to identify potential cancellations. Any cancellations will be effective in fiscal year 2009-2010. Subscription terms vary for databases, but the majority of journal subscriptions are January through December, meaning that most journal cancellations would begin in January 2010. As the process progresses, lists of outright or potential titles to be cancelled will be posted at http://www.library.fau.edu/depts/cd/budget/main.htm prior to final cancellation.

Please contact Bruce Barron (bbarron@fau.edu) or Eleanor Lomax (lomax@fau.edu) if you have questions about the reports and/or this review process. Thank you very much for your help with this important task.
