MIDWINTER MAKERS MARKETPLACE

at JCBA's Book Arts Studios located at FAU's historic T6 building Sunday December 3, 2017
10 AM to 4 PM

LIVE MUSIC by ELLA HERRERA
(1 to 4 PM)

Free Admission! Come celebrate the seasonal and the handmade at our Third Annual Midwinter Makers Marketplace! We're gathering makers of all kinds at one central location so you can shop, make connections, and be generally inspired (a constant JCBA theme). Our theme for this Marketplace focuses on the midwinter celebrations of Christmas, Hanukkah, and Yule. We encourage you to shop small artisans and local creative companies! We'll have great coffee, tea, and doughnuts to fuel your day, live music by the wonderful Ella Herrera on our porch from 1 to 4 PM, and we're working on more wintry fun, too. Print project? You betcha. Make Your Own Snow Globe Station? Wha? We're working on all this and more.

WHERE IS T6?

Historic T6 is located on FAU's Boca Raton campus, at the northeast corner, very close to Henderson School and the FAU Football Stadium and directly across the street from the east entrance of Palm Beach State College. We will have directional road signs placed strategically on main campus roads directing you to the place, along with free, close-by parking.

From Glades Road: Enter the FAU campus at the main entrance (the one closest to I-95) and you will find yourself on West University Drive. Continue straight. The road will curve eventually and become North

University Drive and the Football Stadium will soon be in view. There will be a traffic light just past the stadium. Continue straight, and make a left turn at the stop sign, onto NW 8th Avenue. On your right, across from the entrance to Palm Beach State College, is T6, a long single-story building with a tall brick chimney. This is the place! T5 is the next building, and then comes a parking lot, which is where you should park.

From Spanish River Boulevard:

Enter the FAU Campus at the traffic light at FAU Boulevard. Before the road makes a big curve off to the west, you will make a left turn onto NW 8th Avenue. Palm Beach State College will be on your right, and on your left, you will soon see two long single-story buildings with tall brick chimneys. These are Buildings T5 and T6. Park in the parking lot just north of T5. The Paper Lab is located a very short walk away in T6.

WHO IS ELLA HERRERA?

Just my favorite local music star. She sings, she plays guitar, and she plays a tambourine on her ankle. All at the same time. I'm so pleased she'll be singing for us at the Midwinter Makers Marketplace. <<https://www.youtube.com/watch?v=zml502J7GOo>>

SPIDER MONKEYS, PIZZA, PINEAPPLE FIELDS, a grandmother's gift, Romanians, exhumations, wrought iron, martinis, Palm Beach, apparitions, pet cemeteries & a shifting breeze. A pretty wonderful thing happened yesterday, thanks to Convivio Dispatch reader Lee Ann Brown, who liked something I wrote recently. I hope you like it, too. <<https://nowheremag.com/2017/11/that-which-is-so-universal/>>

Have a wonderful weekend.
