# Baseball's Two Greatest Jewish Superstars: Hank Greenberg & Sandy Koufax

~ lecture by David Dalin, Ph.D.

**Sunday, April 6, 2014 at 3 p.m.**

**Wimberly Library ~ 5th Floor, FAU Boca Campus**

David G. Dalin, Ph.D. will discuss the lives and legacies of baseball's greatest Jewish superstars Hank Greenberg and Sandy Koufax — the only Jews to be elected into Baseball's Hall of Fame. Koufax and Greenberg's collective contribution to baseball, and their enduring legacies, cannot be measured in terms of statistics alone. They set inspiring examples for generations of American Jews through their work ethic, respect for Jewish religious tradition, and their ability to transcend religious prejudice in pursuit of baseball excellence.

~ Dalin, an ordained rabbi, is a professor of history and a widely-published scholar of American Jewish history. *The Jewish Cultural Society, is a volunteer support organization whose mission is to advance Jewish cultural traditions and education at FAU Libraries through philanthropic endeavors and programs.*
