The Week Ahead: Dec. 4 to 10

Dec 03rd 2012

Friday to Sunday

The Icebook at FAU Library’s Jaffe Center for the Book Arts, 777 Glades Road, Boca Raton; beginning at 4 p.m. Friday, 3:30 p.m. Saturday and 2:30 p.m. Sunday; $15; 561/297-0455 or www.jaffecollection.org

Billed as “possibly the smallest live performance in the world,” The Icebook is a revolutionary art project from British artists Davy and Kristin McGuire. Combining literature, cinema and theater, the artists enact an epic fairy tale on the miniature scale of a pop-up book, turning the pages to create a three-dimensional narrative with paper and light. Get your tickets now; each entrancing, 50-minute performance only can be viewed by a dozen people at a time.
