KCO to Present ‘¡Jubanojazz!’ at FAU to Kick off Tour to Canada

BOCA RATON, Fla. — The nine core band members of Klezmer Company Orchestra (KCO), directed by accordionist Aaron Kula, will present “¡JubanoJazz!,” a special concert to set the tone for the group’s tour to Canada, at 3 p.m. Sunday, Aug. 17, at Florida Atlantic University’s Wimberly Library, fifth floor. Tickets are $10 and will be sold only at the door.

“¡JubanoJazz!” features a fusion of Klezmer melodies with Latin percussion, Afro-Cuban rhythms, Mambo, Tango and Brazilian Frevo dance beats as well as songs from the Yiddish Sheet Music Collection.

During KCO’s three-city tour in Canada from Aug. 27 to Sept. 1, the band will perform at the Montreal Jewish Music Jazz Festival, the Ashkenaz Festival in Toronto and the Blacksheep Inn in Ottawa. Kula will also present a lecture in Toronto titled “Black Sabbath: Blues and Jews” and KCO will perform a concert based on “Mendel’s Accordion,” an award-winning children’s book by Heidi Smith Hyde.

The concert is an opportunity to hear KCO play unique compositions and support the award-winning ensemble’s first international tour. For additional information, visit http://www.library.fau.edu/news/flyers/kco_tour_kickoff.pdf or contact Jackie Simpson at 561-297-3921 or jsimps17@fau.edu.

About Florida Atlantic University:
Florida Atlantic University, established in 1961, officially opened its doors in 1964 as the fifth public university in Florida. Today, the University, with an annual economic impact of $6.3 billion, serves more than 30,000 undergraduate and graduate students at sites throughout its six-county service region in southeast Florida. FAU’s world-class teaching and research faculty serves students through 10 colleges: the Dorothy F. Schmidt College of Arts and Letters, the College of Business, the College for Design and Social Inquiry, the College of Education, the College of Engineering and Computer Science, the Graduate College, the Harriet L. Wilkes Honors College, the Charles E. Schmidt College of Medicine, the Christine E. Lynn College of Nursing and the Charles E. Schmidt College of Science. FAU is ranked as a High Research Activity institution by the Carnegie Foundation for the Advancement of Teaching. The University is placing special focus on the rapid development of three signature themes – marine and coastal issues, biotechnology and contemporary societal challenges – which provide
opportunities for faculty and students to build upon FAU’s existing strengths in research and scholarship. For more information, visit www.fau.edu.
