FAU Libraries Release Summer Reading List

Florida Atlantic University Libraries have released their “Summer Reading List” for 2012. Among the 51 books on the recommended list are: “Watergate: A Novel” by Thomas Mallon; “Birds of Paradise: A Novel” by Diana Abu-Jaber; “The Night Swimmer: A Novel” by Matt Bondurant; “Gods without Men” by Hari Kunzru; “Moonwalking with Einstein: The Art and Science of Remembering Everything” by Joshua Foer; and “The Map and the Territory” by Michel Houellebecq. Most of the books on the summer list were published in 2012 and 2011, but there are some oldies. There is even a section of “graphic novels” and a section titled “zombies.” To see a complete list, click on http://libweb.fau.edu/blog/?p=5764, which takes you to On and Off the Shelf. To complement the reading list, the librarians are featuring a small display of the recommended books in the lobby of the Wimberly Library on the Boca Raton campus. Stop by the library, check out one or two books and enjoy!
