Library Update

Library’s Science Committee:
Saving Marine Mammals

As an initiative of the Library’s Science Committee, we have partnered with Taras Oceanographic Foundation (www.taras.org), and their director of Research and Conservation Programs Barbara J. Brunnick, Ph.D. She is forming the Palm Beach Marine Mammal Stranding Network. They will be the first responders to any marine mammals that strand along any Palm Beach County beach. Faculty, staff and students are encouraged to attend the meetings and become part of our volunteer team. Meetings will be held in the Jupiter Library on the last Wednesday of each month. The Boca meetings are held on the third Thursday of each month, and will be moving to the Sandoway Nature Center in Delray in May.

April 30 Jupiter - Fish and Wildlife Tequesta Field Station Administrator, Tom Reinert, PhD., will be speaking about their manatee program.

Summer Exhibit: The Art of Sarah Wetterer

The Library is pleased to display the art of Sarah Wetterer. Sarah is a freshman in the IB program at South Fork High School. She is on the robotics team, S.P.A.M., that won both regional competitions this year and will be going to the World Championship in St Louis later this month. Sarah wants to go to MIT and become an engineer. The Exhibit will run from May 1 - July 31.
Cliché/Library Poetry Contest

Kira Geiger’s work, Turning Soil, was selected as the winning poem. The submissions included poems and an excerpt from a short story. Kira’s poem is displayed on the downstairs wall near the elevator. Diane Arrieta created a mural to accompany it.

Turning Soil

I plough my fingers deep within
to know and turn
the thoughts I keep
Dark is the night
and so, my dreams
painted, and
stinking of you.
I dig my grave
each finger sinks
my soul a little deeper
in the softened earth
To know the words
devoid of truth
so like a prayer
etched across the walls
of my mind.
For now, it seems
I will remain
a slave to all
I think about
Circling buzzards
pick my bones
until they glisten
diamonds in the sun.

Fun New DVDs

Do you need a break from study? Treat yourself to some of our new feature films. Titles include: Lincoln, Hannibal Season 1, Jack Reacher, Side Effects, Dredd, Cloud Atlas, House: the Complete Series, and The Hunger Games.
Library Staff Update

We would like to introduce Priscilla Riofrio, who joined our team in April. Priscilla comes to us from the Village of Palm Springs Library. Welcome aboard!
Undergraduate Research Display

As part of the FAU’s Quality Enhancement Plan, students were invited to display a visual representation of their scholarly work or research in the library. The display will be in our library from March 31 - May 2, 2014.
Open Space: A Self-Curated Student Exhibition Space

Would you like to display your art for all to see? Anyone at FAU has access to this library space, and is free to hang their creative projects on this wall as a shared resource. Information is posted near the space, as well as a whiteboard sign-up. Items are to be on display for two months. This is a self-service Gallery.
